This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937 that introduced 5-year and annual PHA Plans. The full PHA plan provides a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission and strategies for serving the needs of low-income and very low-income families. This form allows eligible PHAs to make a streamlined annual Plan submission to HUD consistent with HUD's efforts to provide regulatory relief to certain PHAs. Public reporting burden for this information collection is estimated to average 11.7 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

A. PHA Progress in Meeting the Mission and Goals Described in the 5-Year Plan

(Provide a statement of the PHA's progress against the goals and objectives established in the previous 5-Year Plan for the period FY 2000 - 2005.

Breckenridge

Goals & Objectives PHA Fiscal Years 2000 - 2004

PHA Goal: Expand the supply of assisted housing.

Objectives:

1. Reduce public housing vacancies:

Our Community has had various developers putting up larger, new apartment buildings which is creating a challenge for us to rent our small, out-dated units. We advertise frequently and have brochures throughout the community.

PHA Goal: Improve the quality of assisted housing.

Objectives:

1. Improve public housing management (PHAS score) 100

We are conducting our own inspections more frequently and making any repairs as needed to keep the building and apartments in satisfactory condition.

Increase customer satisfaction:

2. Renovate or modernize public housing units.

This past year we remodeled 3 apartments into 2 handicap apartments. We are currently working on having new siding and windows put in a family unit.

PHA Goal: Improve community quality of life and economic vitality.

Objectives:

1. Implement public housing security improvements:

We have installed cameras at all exits of the building. We have also installed more lighting in the parking lot.

PHA Goal: Promote self-sufficiency and asset development of assisted households. Objectives:

1. Increase the number and percentage of employed persons in assisted families.

Our local Social Service Agency has a work incentive program which affects most of our families.

2. Provide or attract supportive services to improve assistance recipients' employability.

Our Social Service Agency handles this.

3. Provide or attract supportive services to increase independence for the elderly or families with disabilities.

We have contracted with Lutheran Social Services to provide assisted living services to residents.

PHA Goal Ensure equal opportunity and affirmatively further fair housing.

Objectives:

1. Undertake affirmative measures to ensure access to assisted housing regardless of race, color, religion, national origin, sex, familial status, and disability:

We advertise with our local papers, cable TV, Social Service Agency, and various other agencies

to ensure we are reaching all people of our community and beyond.

2. Undertake affirmative measures to provide a suitable living environment for families living in assisted housing, regardless of race, color, religion, national origin, sex, familial status, and disability:

We conduct routine inspections, take care of maintenance issues as they occur and include in our 5-year plan to update/remodel units by installing windows and siding on those units in need.

3. Undertake affirmative measures to ensure accessible housing to persons with all varieties of disabilities regardless of unit size required:

We have more than the required handicap accessible units available. If a resident in another unit requests accessible features, we try to accommodate as best as we can. Also, Park Manor's entrances are all handicap accessible with a remote entry.

B. Criteria for Substantial Deviations and Significant Amendments

(1) Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

A. Substantial Deviation from the 5-Year Plan:

Standard 1: If the PHA changes any policy that affects tenant's rights or obligations, tenant's rent, or tenant's selection.

Standard 2: If the PHA changes the use of any of its buildings that may require demolition or disposition of any units.
